- Results will be posted online on the website as soon as possible and sent by email
- For customs clearance, the fleeces must be declared as follows:  
**Sample for analysis without value**

### International Participation Rules:

- Judging will be based on the AOA score card
- Only fleeces from the 2024 shearing can participate
- Fleeces from female and male animals will be judged separately
- If the number of participants in the Appaloosa and Multicolor categories is low, they will be combined into one color class
- If the number of participants in the roan category is low, they will be judged in the gray color class

**Huacaya:** Generally, color champions are awarded for each Huacaya color class. However, the organizer reserves the right to eliminate the color champion in cases of very low participation.

**Suri:** Suri fleeces are warmly welcomed! However, in recent years, very few have participated in the fleece shows. If participation is sufficient, color champions will also be

awarded for Suris; otherwise, the organizer reserves the right to award only Grand/Reserve Grand Champions and Best of Show.
